

Addendum to Tailing Out Agreement

School Choice/Opt-in Agreement

**Between the Special Purpose School District and
Newfound Area School District**

On this the ___ day of _____, 202___, the Special Purpose School District [“SPSD”] and the Newfound Area School District [“Newfound”] agree that there may be circumstances where parents and guardians deem it to be in their child’s best interest to attend the Newfound Middle School or Newfound High School even though their child is not enrolled in either the Newfound Middle School or the Newfound High School as of the effective date of the Special Purpose School District (July 1, 2025). For example, the family may have another child attending Newfound Schools.

Therefore, the SPSD and Newfound agree that parents and guardians residing in the SPSD may choose for their student to attend the Newfound Middle School or the Newfound High School, that Newfound agrees to accept said students in accord with RSA 193:3(IV) and upon notification by Newfound to the SPSD that the student has opted to enroll in the Newfound Middle School or the Newfound High School, the SPSD shall pay Newfound tuition in accord with the terms of paragraphs 2 or 3 of the Tailing Out Agreement, and the Student shall be permitted, subject to the provisions of the Conduct standards of Newfound to complete their education in the Newfound School District.

In the event the parties reach a tuition agreement, this opt-in agreement and the Tailing Out Agreement shall be superseded by the new tuition agreement.

IN WITNESS WHEREOF, the School Board of each School District has caused this Addendum to be executed by its duly authorized officers, on the day and year first above written.
